Seeking Church Home/Christian Fellowship

General Prayer

John H - First prayer request is for a gentleman whose name is Conner Lewis. I could see he is a disturbed and troubled person and seems to be doubtful. I asked him to talk to Jesus and seek his help. I prayed with him and he even repeated the sinners prayer after me, I still can't speak for his being sincere but he did say he was feeling better. Second prayer request for a gentleman name Jeff who I also dealt with. When we talked about where we went to high school, I told him about going to a Christian school. When it came to mentioning Christianity he asked me some questions and he didn't seem to believe when I told him the truth he was even annoying and also needs prayer. Third request is for my nephew Elliott Hamilton who has serious issues

Tim - one of the young believers in a very ruthless and wild village, was abducted by the KGB and the village "Mullah". His name is Kairot and he was a "mullah" 2 years ago, then he became a Christian. His wife is very worried about his, knowing that his life may be in danger

Mrs Leroy S - for her grandson, Cameron who is incarcerated

Bob S - for him to increase wisdom and to use it in making decisions for his trucking job, banking, dealing with people, and living his life as God wants him to live it; blessings for his sister who helps him with cooking, laundry and many other things; that God will help his sister through her problems and with her feelings and that she can stay in her house and be able to take care of herself for many years; God's blessings for the trucking company and the Post Office for giving him a part-time job; blessings for his neighbors (Jim) and coworkers who are good to him; that God will keep him from having accidents, getting hurt or getting sick

George V - for God's Will with whatever happens now that he's retired

Char C - for his neighbor, James, who is suffering from arthritis; for his daughter, Carol to find a church and be deliverance from troubled thoughts; for himself to forget the past hurts and all the grieving
